

SOLO BC

Initial Coin Offering

BLOCKCHAIN | INNOVATION | CRYPTO

Who we are

- SoloBC is part of MainAd, a company with 10 years of experience in digital advertising. Since 2011 we have successfully been working in forex, trading and binary advertising. We are now focusing on ICO native ads to help ICO brands advertise their tokens.
- As a structured company, we offer a dedicated team of sales, prospecting, account management and analysis who will guide the client throughout every step of the offer.

What we offer

PREMIUM/NON-PREMIUM TRAFFIC

Display ads

Mobile ads

Pop under ads

Native ads

How we do it

- We have some of the most innovative native sources, worldwide traffic sources, and in-house technology for retargeting, remarketing and branding purposes etc.
- We also offer in-house marketing automation tools to facilitate the lead follow up process.
